

MESSAGE

Dr. V. MALAKONDA REDDY, *Principal*
Chaitanya Bharathi Institute of Technology,
Gandipet, Hyderabad-500 171.

To Graduates of 1983,

I am extremely happy that the out going students of Chaitanya Bharathi Institute of Technology are bringing out the Inaugural issue of " CHAITANYA SMRITHI " to cherish the happy memories of their four year corporate life in the campus of CHAITANYA BHARATHI.

These students are, in fact, the founders of Chaitanya Bharathi Institute of Technology which has faced many teething problems to establish itself on a firm foundation. They built up their careers here by their constant devotion and determination to prosecute their studies at any cost. They developed a sense of belongingness to this Almamater, which is as sacred and permanent has the relationship of Mother and Child. I wish the students best of luck and success in their future assignments.

(PROF. V. MALAKONDA REDDY)
PRINCIPAL

The Smrithi Committee is indebted to the Principal for releasing our caution deposits needed to bring out this " CHAITANYA SMRITHI—83 ".

We also Express our Gratitude to all our friends for their timely help that they gave us in this Endeavour.

When we are thrown in to competitive world after completion of the course, this book and the various epithets used for our friends, will bring back the Sweet memories of the times, we spent together, the pranks we indulged.

We wish them all a bright Prosperous and Glorious career.

CHAITANYA SMRITHI
